### Principal's Corner...

Happy February! Will we have six more weeks of winter?... It stills feels like it! Please make sure your child comes to school dressed appropriate for the weather. We do go outside everyday unless it is raining or 32 degrees or below at recess time. Please bundle up!

I also want to address attendance. Several of you have received attendance letters. These letters are to keep you informed of how many absences or tardies your child has accumulated. Attendance is very important. School is fast paced and when they miss school they miss a lot. Please help us help your child do their best by making sure they are rested up and here everyday. However, if they are sick we totally understand and want them to stay home to get better.

Thank you parents for helping with drop offs in the morning. Having the children wait until they are at the crosswalk has really helped!

Thank you so much for your support!!
