Our little leprechaun preschool students are progressing by leaps and bounds! They love coming to school and experiencing new and exciting things! The month of March will be filled with green things, shamrocks, pronouns, and visits from some of our Community Service Agencies. Our local Firemen, Police Officers and Veterinarians will be giving presentations to our preschoolers. Best Wishes to Miss Donna who will be leaving us to have her baby but we will be looking forward to a new face in Pre-School after Spring Break!
