Preschool is really blossoming!!! Our littlest Cougar Cubs are so cute and they are learning so much!!! They are busy not only learning how to be away from mom and dad, but they are also learning about colors, shapes, and how to share with their friends. Apples have been the theme and they have been participating in lots of different activities centered around apples.

Have A Great Fall Break!!!!

October 5th -8th

See You On October 12th!
