### PRESCHOOL NEWS...

Our new Preschool program is really taking off and our classes are filling up quickly! It is so fun to see our little 3–5 year old students experiencing new and exciting things and learning the basics, educationally and socially. Our Preschool staff members are loving and nurturing and really enjoy working with our little ones. Now that things are settling down, we will be sending home some additional required forms that need to be filled out and returned . If you know someone that would like to attend our Preschool, please have them call us at 636–3842 for further information.
